

# A Virtual Trip to the Orchard

## Objective:

To identify objects in the apple orchard.

## Kindergarten Standards:

- W.K.2 I can share information that I have learned using a combination of pictures, talk, and writing
- W.K.8 I can work with adults to remember things I have done and answer questions about things I have learned

## Materials:

- Attached Worksheet
- Crayons

## Lesson:

- Before watching the field trip, talk with the students about what they think they might see at an apple orchard.
- As you watch the video, pause periodically to have students identify objects they see on their paper by circling them. At the conclusion of the video, they can color in the illustrations.
- At the end, have students share something they learned or discuss what their favorite part was.
